# Jeff(Yin Kit) Lung

Experienced Web Designer  
Manchester

## Summary

I started working from 2000 when I was a Multimedia Designer in a junior position. Afterwards, I have worked as Graphic Designer and Web Designer. Within my career time, I have used many tools like Adobe Photoshop, Illustrator, Aftereffect and 3D Software Maya. On the side of web work, I am proficient with Html, CSS and I am enhancing my JavaScript skill and ReactJs now.
